3. Determine any applicable discounts .
4. Determine applicable points within the application Accidents/Violation Section.
5. Determine the rating classification by style of the unit by looking up the make and model within the Motorcycle List found on our website at www.aegisfirst.net.
6. Determine the appropriate coverage rates based on unit style, and marital status within the rate pages.

CRUISER:

Traditional or classic American styling, profile is long with a low saddle height. The emphasis is on appearance, style and sound. Owners tend to customize these machines. See motorcycle list for eligible bikes.

HARLEY-DAVIDSON:

This category is designed exclusively for Harley-Davidson motorcycles. Two categories are supplied within the Harley-Davidson category:
